**PETITION**

The Plaintiff(s) states he/she has a claim against the Defendant(s) in the amount of \$ 3,000.00 plus court costs.

The claim arose on or about October 7, 2009 as a result of the following events:

Palisades Collection, LLC, a New Jersey Corporation, is a collection agency attempting to collect an alleged debt that is in dispute.

On December 31, 2007, USPS Certified Mail was delivered to Palisades Collection, LLC communicating the following instructions in writing:

"Please limit your communication with me to writing only. If I receive any telephone calls from your company they will be considered intentional harassment." On Wednesday October 7, 2009 at 1:48PM CDT and again on Saturday October 10, 2009 at 7:59 PM CDT,

Palisades Collection, LLC called plaintiff's residence and did leave recorded voice mail messages concerning an attempt to collect an alleged debt. Palisades Collection, LLC is in violation of the Fair Debt Collection Practices Act, under section #805, sub-section (C).

"CEASING COMMUNICATION. If a consumer notifies a debt collector in writing .... that the consumer wishes the debt collector to cease further communication with the consumer, the debt collector shall not communicate further with the consumer with respect to such debt..."

The Plaintiff(s) states that the allegations in this petition are true and correct to the best of his/her knowledge, that he/she is not an assignee of this claim, and that he/she has not filed more than twelve other claims in Missouri small claims courts during the current calendar year. Plaintiff(s) understands that should he/she be successful in this action and obtain a judgment, and if defendant(s) does not appeal by Trial de Novo and this judgment becomes final, the plaintiff(s) is barred from commencing another action involving the same parties and issues. Plaintiff(s) understands that he/she is hereby waiving his/her right to jury trial on these issues in the Small Claims Court.
